Virat kohli

Royal Challengers Bengaluru

8014 runs · 252 matches

#1 All Time

Most Sixes Hit

CH Gayle	359
RG Sharma	281
V Kohli	273
AB de Villiers	253
MS Dhoni	252

Key Finding :  Virat Kohli leads all-time with 8,041 runs — 1,000+ more than the second highest scorer, proving consistency over 17 seasons, whereas CH Gayle has hit the most sixes 359

⚡ Bowling Analysis — Masters of Wickets & Economy

All-time wicket takers · Economy kings · Dismissal breakdown · 2008–2024

⚡ All-Time Wicket Takers

Yuzvendra Chahal

First Bowler to reach 200+ IPL Wickets
205 Wickets · 159 matches

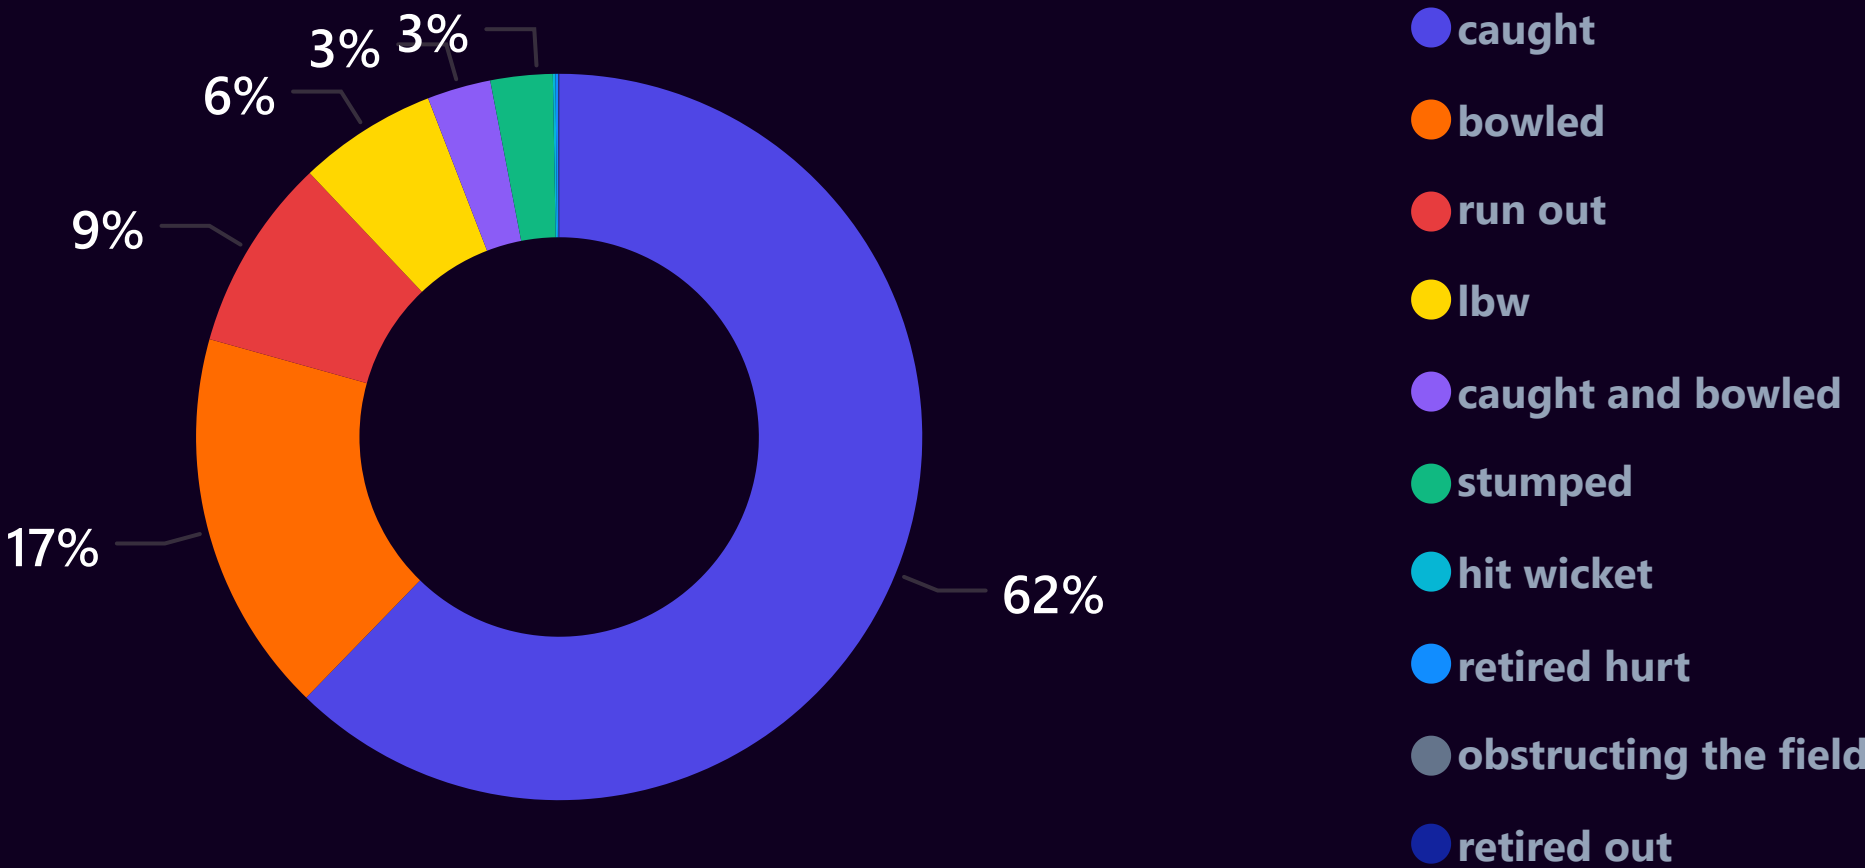

#1 All Time

🎯 Best Economy Rate

Min 50 overs bowled · Lower = better

🔴 How Batsmen Get Out

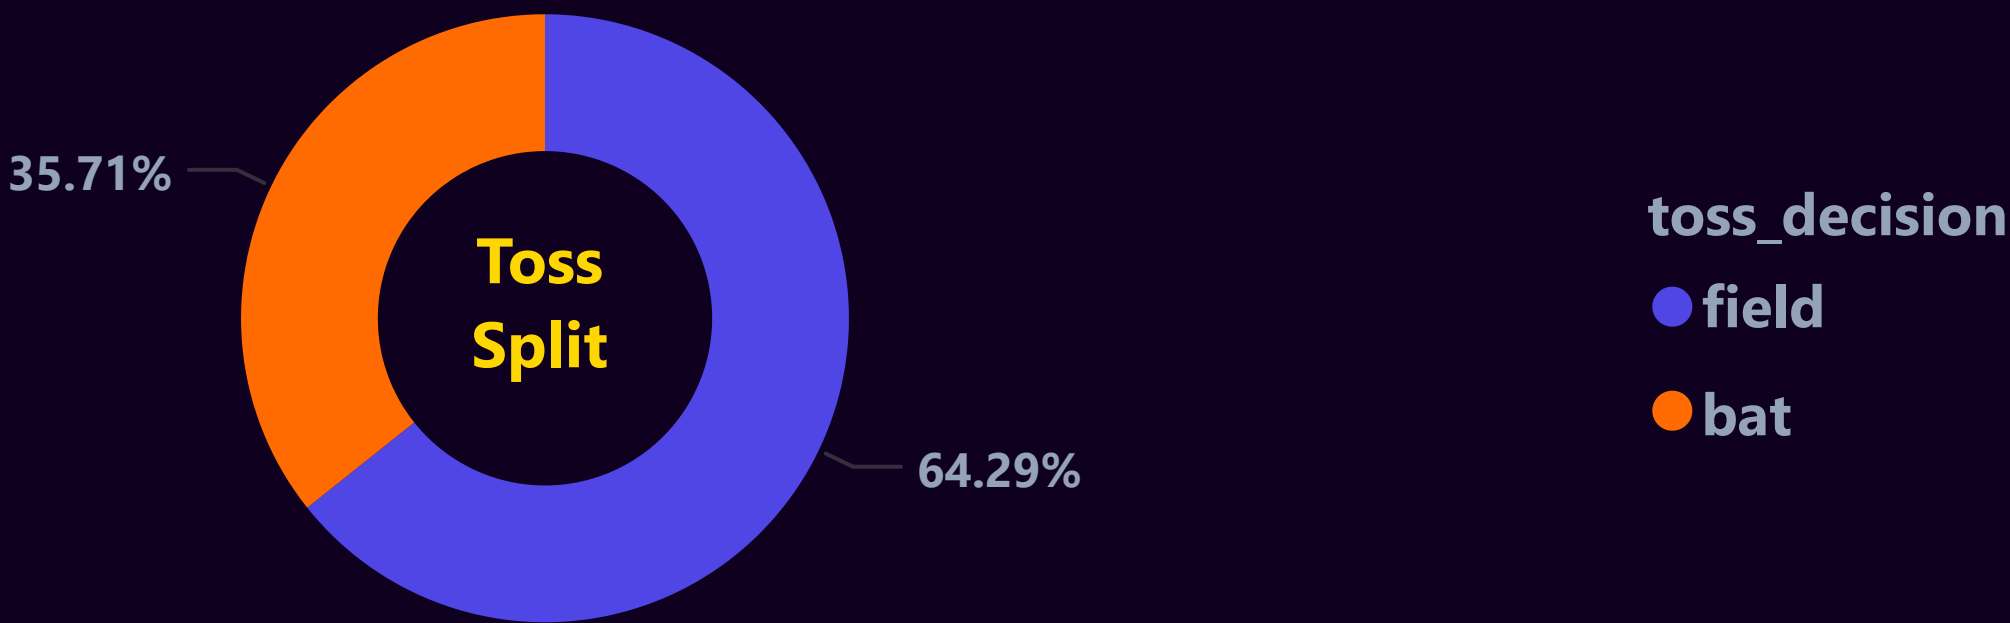

✅ **Key Finding** : 45% of all IPL dismissals are caught — making fielding placement and catching ability the #1 defensive skill in T20 cricket. Spinners dominate economy charts proving slow bowling is more effective in Indian conditions

Match & Toss Intelligence — Does the Toss Really Matter?

Toss decisions · Win rates · Batting first vs chasing · 2008–2024

Toss Decision Split

⚔ Batting First vs Chasing

Chasing teams win 53% — the toss matters but doesn't guarantee victory

Toss Win % by toss_winner

MS Dhoni
Chennai Super Kings
264 matches as captain

Most Successful IPL Captain
5 IPL Titles · Known for finishing under pressure

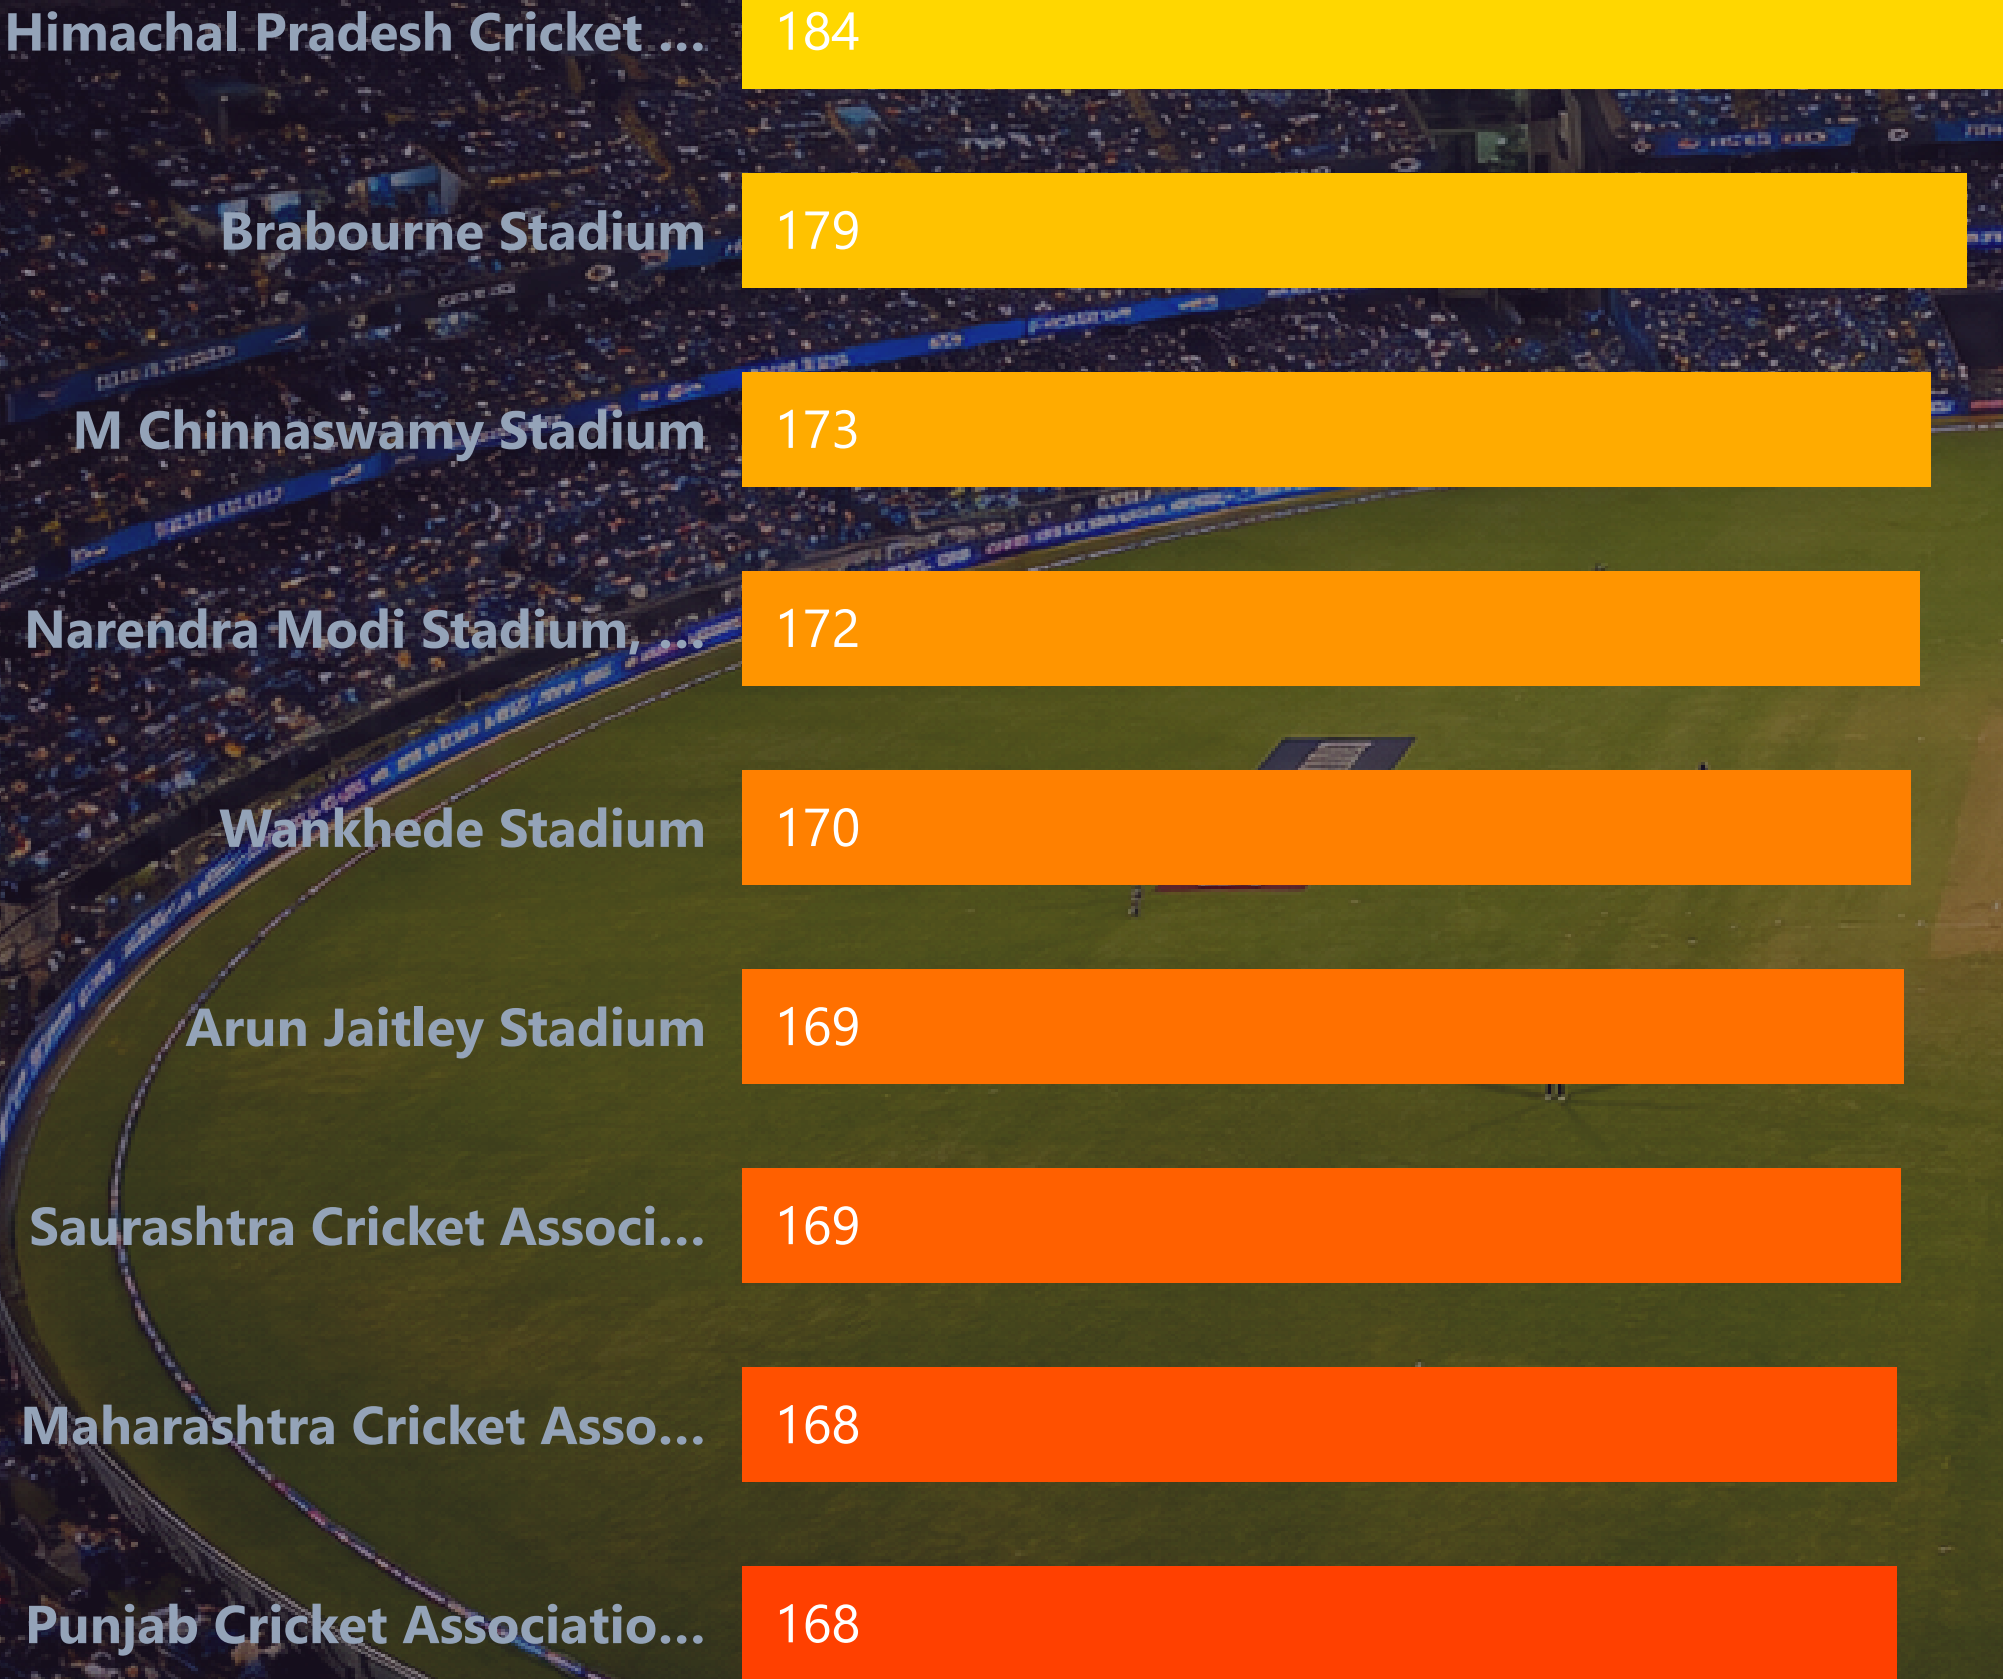

⚠ Key Finding : Winning the toss gives an advantage but doesn't guarantee victory — chasing teams win 54% of matches. Chennai Super Kings capitalise on the toss best (61.48% win rate after winning toss) proving team quality matters more than the coin flip.

Venue Intelligence — Battlegrounds of IPL

Highest scoring grounds · Most matches hosted · Stadium analysis

Avg First Innings Score by venue

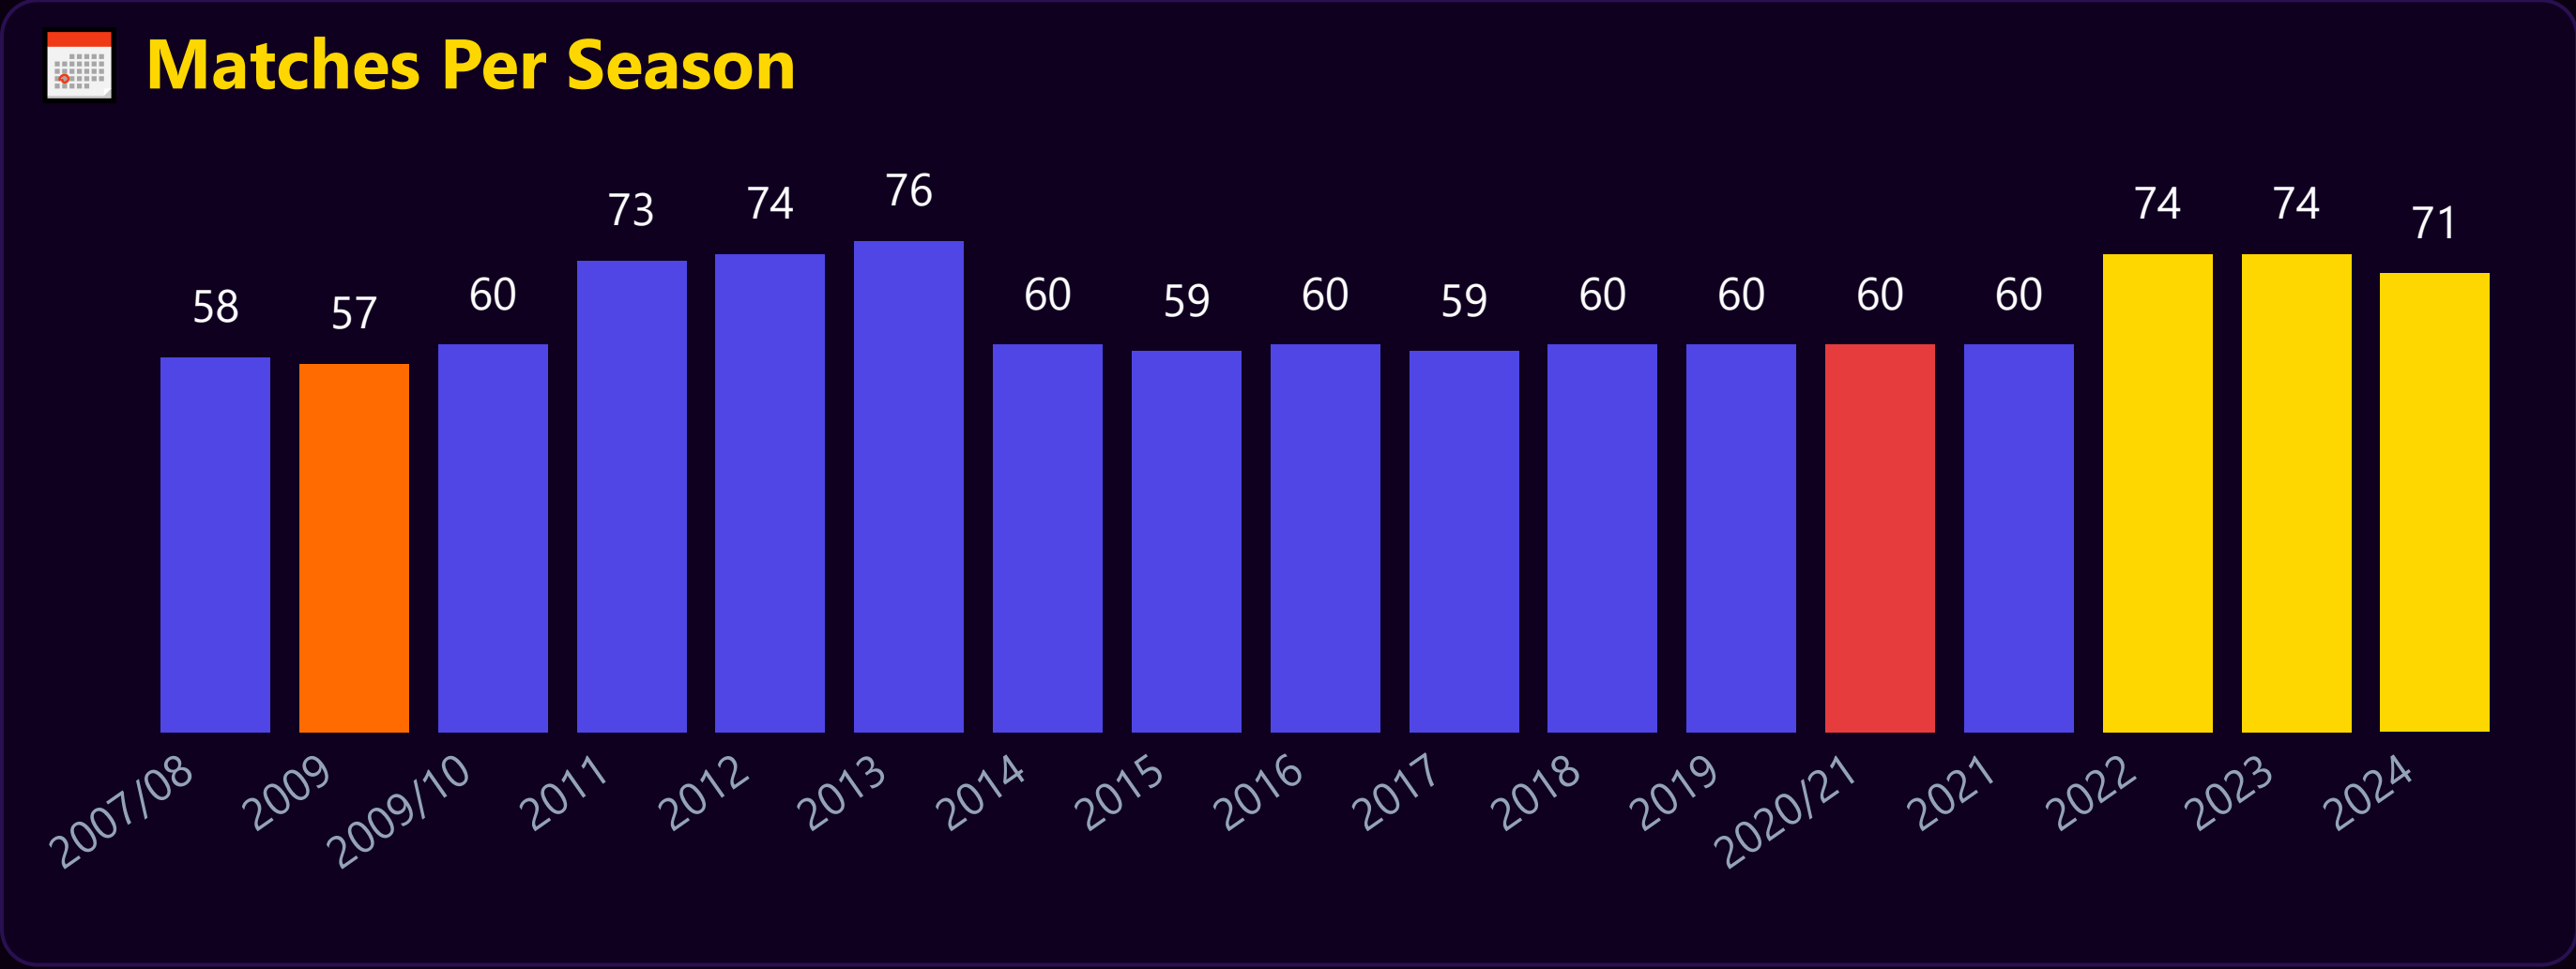

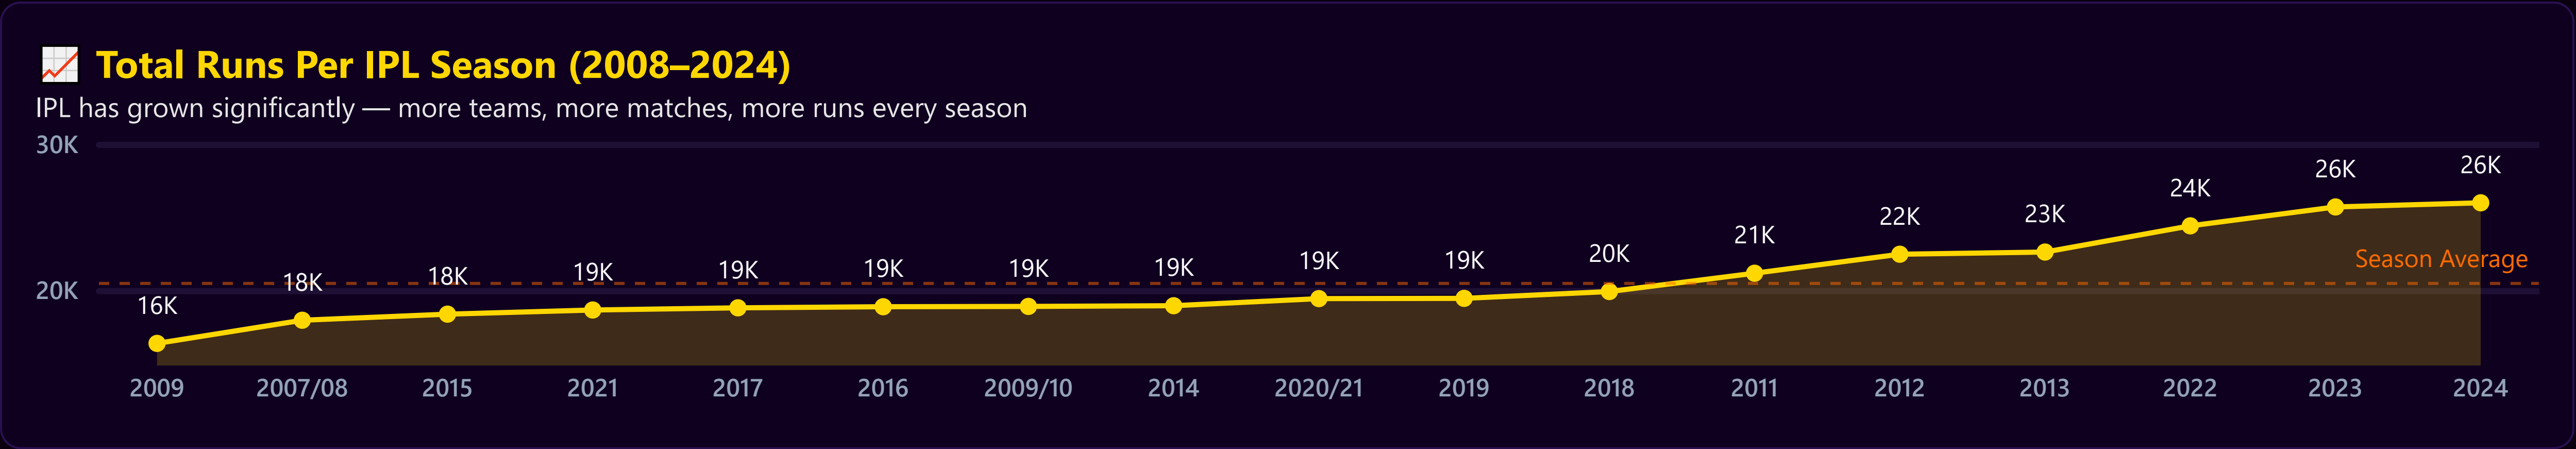

Most Matches Hosted

Bat First Toss Decisions by venue

Key Finding : Himachal Pradesh Cricket Association Stadium is the highest scoring IPL ground — where avg first inning score is 184. Wankhede (Mumbai) hosts the most matches (118) and is the home ground of one of the most successful team in IPL history. MA Chidambaram Stadium is the most preferred stadium to bat first.

IPL Growth Story

From **8 teams** in 2008 to **10 teams** in 2024

Runs grew **~40%** over 16 seasons

Data Pipeline :

Kaggle → Python → MySQL
→ SQL Queries → Power BI

✔ **Key Finding :** IPL has grown ~40% in total runs from 2008 to 2024. The expansion to 10 teams in 2022 caused the biggest single-season jump in match volume. Despite growing competition, the batting quality has improved — average first innings scores are consistently higher than in IPL's early years.
